

Volunteering at Habitat for Humanity London

To find out how you can get involved, please call our Volunteer Program Manager at (519) 455-6623 ext 221.

Habitat for Humanity London is an inclusive, non-profit, non-governmental organization that builds simple, decent affordable homes. All homes are sold to low-income families in need of adequate shelter, using no-profit, interest-free mortgages. With the assistance of volunteers, businesses and community organizations, Habitat makes the dream of home-ownership a reality for families in our community.

How can I get involved?

Habitat for Humanity is an organization built on the generosity of people. The people of Habitat donate money, building materials, labour and their time. There are many opportunities to get involved, and Habitat warmly welcomes people with all kinds of skills, from all walks of life.

There are a number of committees that volunteers can get involved in year round:

Committees

Faith Relations
Fund-Raising
Family Selection
Building
Public Relations/Marketing
Volunteer
Finance
Land Acquisition
Board of Directors

Activities

Playhouse Project
Home Building Project
ReStore (retail store)

Habitat for Humanity London is an affiliate of an international, non-profit organization with the goal of eliminating poverty housing. Habitat is people helping people. Based on a vision of justice for all, Habitat for Humanity works in partnership with those in need to help them attain their goal of owning their own house.

As a volunteer you can:

- Participate in our annual home building project by volunteering your time and skills. Participate in our annual Playhouse project by helping to build the specially designed playhouses for our Christmas fund-raising lottery
- Help to sell raffle tickets in area malls for the Christmas season for the Playhouse Project (at specially designed booths)
- Spend a day or a half day volunteering your time and skills at the ReStore repairing and refurbishing donated materials and working with customers
- Get involved in committee work---from the Board of Directors to Fund-Raising, Faith Relations or Build Committee

Volunteers are also needed to work on the build site. Volunteers are not only important for the actual construction of a new home, but they also make a very important contribution by helping to provide meals and refreshments for those volunteers doing the building. A detailed application helps to match each volunteer's skills and interests with a wide range of activities that require volunteer involvement.
